

## ARTICLE FROM HOWARD AND MALCOLM SAYER

Dear Bryan

I am an Old Hamptonian (83) and the reason for contacting you is that I would like to publicise an event that I am taking part in with my brother Malcolm who is also an Old Hamptonian (88).

At the end of March, we will be taking part in a 7 day event in Morocco called the Marathon Des Sables. The course is 250 kilometres and is a self-sufficient race. We are taking part to raise funds and awareness for Meningitis. This is a cause very close to our hearts as Malcolm's son, Alex died after contracting the deadly disease.

We have a website giving more details about the challenge

We were both very active with sport at school, I was in the Rowing 1st Eight, going on to row for Molesey and Leander after leaving. Malcolm played 1st XV Rugby and went on to play for Harlequins after leaving. I am a professional photographer and Malcolm is a sports marketing executive and racing driver manager. We are both currently living in Spain, although I travel back to the UK regularly to work for my clients there.

I would be grateful if we could announce what we are doing on the OHDB website or anywhere else you could recommend that may get us some exposure and help us to get sponsorship.

Many thanks.
