

“Dear Old Hamptonian

Iain Maclean retired on 31 August 2011 after service to Hampton Grammar School and Hampton School, spanning the five decades from 1970.

The School will be hosting a Dinner for Iain at 7.30 pm on Friday 30 March, 2012. Carlos Mills, Head of Football, and I are working together on planning the occasion. There will be no charge for the Dinner and a cash bar will be in operation.

This will be an informal celebration and dress will be smart casual. Speeches will be kept to a minimum, as the main purpose of the evening is for lots of people who have not seen Iain or each other for some time, to have an opportunity to talk and reminisce. Guests will be invited to send in, or bring, photos or memorabilia of Iain for display. There will be a book of blank pages in which people can write their best wishes and anecdotes about Iain on the evening.

Ten Old Hamptonians who responded to an earlier announcement in the OH Chronicle have indicated their wish to attend. Places available are limited and we can accommodate up to a further 50 Old Hamptonians. The fairest way to proceed is to allocate the places on a “first come first served” basis so, **if you wish to attend the dinner, please note that the first 50 persons replying to this email will have places booked.** If necessary a reserve list will run and any other places not taken up will be released.

If you need further information, please contact Carlos Mills c.mills@hamptonschool.org.uk or me at the School. Meanwhile, if you wish to attend, please email my PA Jennifer Simmons at j.simmons@hamptonschool.org.uk promptly.

Yours sincerely

Barry Martin”
