- World Record - 94.97m
- Ladies Record - 41.42m
- UK men's record - 95.83m (unofficial World Record)
- UK women's record - 53.52m (not officially recognised by the World Championships)

With your entry fee you will receive 3 throws, with the phones being provided for you. However, do please bring all your old, unwanted mobile phones along with you on the night so that they can be donated to charity and recycled.

This year for the first time there will be a children's category for anyone under 12.

The rules are pretty simple: you get 3 chances to throw the phone as far as you can, any way you can as long as you stay within the designated throwing area!

Now get your throwing arms ready and spread the word!
